think provides road safety information for road users our aim is to encourage safer  
behaviour to reduce the number of people killed and injured on our roads every year

with our flexible content you can support your students to be more road aware our  
resources support different learning styles and encourage peer to peer expression

here are some of our latest campaigns with resources to download for use in your local  
area

here you can find out more about the facts and road safety laws

think is launching a new seat belts campaign to encourage young men to wear their seat  
belts whatever the journey whether they re a driver or a passenger

think map this innovative tool has been designed to support educators young people  
parents and guardians to easily access information based on real incident data from the  
department for

since then think has become recognised internationally for its iconic and ground  
breaking campaigns that have challenged dangerous behaviours on britain s roads our  
campaigns have evolved from

the think campaign actively targets young male drivers who are over represented in  
road accidents we work with organisations and individuals that can help us reach this  
audience better

on the 29 january 2022 the highway code changed to improve road safety for people

walking cycling or horse riding the changes were communicated in two phases a factual awareness raising

age 7 to 12 bite size activity document game lesson plan transitioning to secondary school road casualty data shows that the number of child pedestrian casualties doubles between the ages
