these studies on the character of the apostles form a complete series on the lives times and ministries of those men chosen by god to declare his message to the world

this dynamic new consideration of paul addresses the three basic subjects that make up pauline studies paul s life letters and theology and argues that these elements must be treated together since to do otherwise risks distorting one or more of the arguments

who are the people of god luke s purposes in the acts of the apostles are to identify the church to establish the legitimacy of its gospel and to demonstrate that god was an active force in history he wanted to show that the communities of jewish and gentile christians are the true heirs of god s promises to israel he gives the history of the early church from the last decades of the first century as the communities become separated from their jewish origins and paul plays the lead role acts offers an apologetic for the mixed mission of the church to jews and gentiles luke was an eyewitness to some of what he reports but his authorship and views have been

questioned this is a theological interpretation of the history of the church within history luke is an artist a narrator rather than a systematic theologian but writes about the roles of god christ and the holy spirit and of the church

in his most controversial work of non fiction to date a n wilson presents the view that what we know as christianity today came not from jesus but from paul of tarsus

what were the apostles of jesus really like this book will examine the gospels the fathers of the church apocryphal writings encyclicals and other sources to search out the apostles personalities and history along the way we will look at the prayers poetry music and architecture the apostles inspired and see how these twelve men are still teaching us today almost 2 000 years after their deaths we will see how the faith spread throughout the roman empire and even beyond its borders and how each apostle met his death you will be surprised at the many different paths of the apostles as they witnessed for christ

after jesus was victorious over satan and returned to heaven the enemy turned his attention to jesus church on earth here are thrilling stories of fierce persecutions and unswerving loyalty to god

volume 4 of the conflict of the ages book series the acts of the apostles covers from the great commission to john the revelator on patmos this key seventh day adventist text explains in detail the sda understanding of the conflict between god and satan and their understanding of the bible and much of world history white wrote the series based on her research of other authors and special information which she claimed to receive through visions from god the books thus include unique insights and concepts not found in other works of the time

e p sanders offers an expansive introduction to the apostle navigating some of the thorniest issues in scholarship using language accessible to the novice and seasoned scholar alike always careful to distinguish what we can know historically from what we may only conjecture and these from dogmatically driven misrepresentations sanders sketches a fresh picture of the apostle as an ardent defender of his own convictions ever ready to craft the sorts of arguments that now fill his letters
